In addition, Mr. Emmert informed the council as a result of televising our sewer system this past year, there is a resident on County Line that is illegally hooked up to our system. The council will prepare a letter to send them regarding this matter. Mrs. Voller will investigate the timeline in which the town is able to collect from the usage of our sewer system.

Building Commissioner: **Andy Emmert**

Attached

In addition, the council approved the sale of old street signs for \$20.00 apiece.

Motion: Pam Van Hook, Second Jody Price and the motion carried.

Clerk Treasurer: **Jennifer Farley**

Mrs. Farley informed the council; all year-end reports have been filed. There was one warrant cancellation in the amount of \$25.00 (attached). Mrs. Farley also shared with the council her utility report (attached) and information concerning the collection of outstanding utility debt and HB1165. The council will investigate these matters.

OLD BUSINESS

Delinquent Resident account: Mr. Bengé voiced his concern about a resident who has her water shut off due to a delinquent account and is still receiving trash service. The council will remove her trash totes and contact Code enforcement officer Edie Keesee concerning an old mattress at the residence.

Ball Diamonds: Mr. Steve Stackhouse from Indiana Prime Time, attended the meeting requesting the use of the ball fields. After a small discussion. The council informed Mr. Stackhouse, they would like for him to bring before the board a proposal of things his organization would accomplish at the fields. Mr. Stackhouse will return with a proposal.

Building code Ordinance: Mr. Dixon, informed the council, he and Mr. Hecceg had a conference call with Homeland Security concerning an administrative review that he had submitted. As a result, the council need to withdraw the request for administrative review as this would be a very expensive process.
