REPORTS

Water, Wastewater, & Streets: Andy Emmert

Attached

In addition: Mr. Emmert has been dissatisfied with HML labs for water/sewer testing. Mr. Bengé made a motion to switch labs from HML to Element Resources. Mrs. Van Hook, Seconded and the motion carried.

Building Commissioner: Andy Emmert

Attached

Public Comment: Resident Neila Teal commented on the need for more police presence from HCSD. She has a concern with the disregarding of the new stop signs. Mrs. Farley will contact Captain Logan concerning this matter. Mrs. Teal would also like for the council and residents to send letters to the Hoosier Port Authority concerning the railroad tracks in town.

Mr. Nelson (Mr. Muffins Trains) attended the meeting informing the council he has contracted for the billboard on US 31 and 296th St.. Along with Mr. Muffins Trains and the Music Hall, He would like to advertise for the Atlanta New Earth Festival. He will present to the council a design for their approval.

With no further business to discuss the claims were signed and the meeting adjourned.

Murry Dixon, Council President
Jody Price, Council member
