Emergency Council Meeting

105 E. Main Street

June 1, 2023

9:00 a.m.

**Present:** Murry Dixon  
Jody Price  
Pam Van Hook

**Absent:**

**Others Present:** Andy Emmert, Utilities and Street Superintendent, Building Commissioner  
Jennifer Farley, Clerk-Treasurer

**Residents Present:** Neila Teal, Greg Wilson, Roberta Terry, John Phifer

Mr. Dixon called the Emergency meeting to order at 9:00 a.m. The purpose of the meeting was to discuss issues that were found at the Water Treatment Plant while changing the media filters. Mr. Emmert gave a short explanation of the needed repairs that were urgent (deterioration that was discovered). After a short discussion and a few questions from the public, it was decided the repairs needed immediate attention. To make the repairs a portable water filtration system would need to be brought in. After a short discussion of where the funds will come from (County ARPA), Mr. Emmert shared a quote from Advanced Rehabilitation Technology in the amount of \$62,408.72 for installation of a Certified Lining System into our water filtration system and a \$16,125.00 quote from Water Surplus for the on-site filtration system. Mrs. Price made a motion to approve the much-needed repairs. Mrs. Van Hook Seconded.

AYE: Mr. Dixon, Mrs. Price, Mrs. Van Hook

Mr. Emmert estimated the repair to take up to 5 weeks with an estimated cost of \$121,000. There should be no water service interruption.

There was also a short discussion on the cost of painting the water tower.

Mr. Phifer thanked Mr. Emmert for the fine job he has done for the town, not only staying on top of things but also saving the town money by doing things in-house. The council agreed.

With no further discussion, Mrs. Van Hook made a motion to adjourn the meeting. Mrs. Price, Seconded and the meeting was adjourned.

  
Murry Dixon, Council President
