Dear Atlanta Resident,

Effective January 1, 2026, there will be a trash charge increase on your utility bill in the amount of \$1.36 making the total trash fee \$24.24 (this amount is with no additional carts on your account). These increases occur annually and are due to rising costs from Republic.

One Regular trash tote and One Recycle tote are included in basic service. Per last year's increase, additional trash totes are \$7.00.

We recognize that fee for additional totes is substantial. If you currently have an extra tote and would like to avoid the \$7.00 cost, let us know. We will pick up your extra tote, and it will be removed from your bill. To schedule pickup of extra totes, or if you have any questions, please call the Town Hall (765) 292-2626.
